

## Access EMS decision makers looking for grants

EMSGrantsHelp.com provides members of the first responder community with a comprehensive resource for grant information and assistance. EMSGrantsHelp.com features the most extensive EMS grant database online and a library of information not only for federal grant programs, but also state, local and corporate grant opportunities. With a comprehensive set of helpful news and information, it allows EMS professionals and Paramedics to spend less time searching for grant resources and more time writing successful applications.

EMSGrantsHelp.com receives between 2,000 and 4,000 unique visits per month.

### Sponsor Package

Sponsorship of EMSGrantsHelp lets vendors within the EMS market position their company and brand in front of potential customers at exactly the right moment: during the grant research and decision making process. It also provides a platform to highlight your company's products that are eligible for grant funding and to promote your grant assistance programs.

#### EMSGrantsHelp.com Sponsorship includes:

- Your company logo rotating in the Sponsors block on the homepage.
- Your logo and company description on the Sponsors page. Section will be promoted on the header and footer of all pages, as well as in the homepage Sponsors block.
- Ability to list your company's products that are relevant to specific grants in the Products section of the site, including AEL/SEL information and associated grant opportunities.
- Your products will be associated with related grants, with links appearing next to the detailed information for each grant.
- Your company will have the option to add a Direct Assistance Request form to the site that allows those looking for grants related to your products to submit their contact information directly to you.

### Pricing

Sponsorship Price: \$1,000 per month\*

\* \$750 (25% discount) if sponsor does not have a Direct Request Assistance Program.

### Testimonial

"EMSGrantsHelp.com has provided us with the very unique ability to reach our customers at the moment they're researching funding opportunities. Our direct assistance request form has resulted in hundreds of grant requests related to our products, many of which will be funded. EMSGrantsHelp has, in a short amount of time, grown into a relied-upon resource for the EMS community, and the benefit of our presence on the site has grown along with it."

- Barry Hickerson, Director of EMS Marketing, Masimo
